Meeting ID: 212 285 313 251

Passcode: t9wk6N

9:30 **Welcome & Introductions**

9:45 **6PPD-q: King County's approach to 6ppd-q**

Presentation followed by Q&A

King County is developing strategic and action plans that define goals and actions King County will take to tackle to 6ppd-q. In parallel, King County has started taking actions to pursue the 6ppd-q mission: to develop a strategy to monitor, control, and eliminate 6PPD-q. These presenters will summarize actions completed and in progress and what we have learned so far.

Carly Greyell,
Chelsea Mitchell,
and Jenée Colton,
King County Science

10:30 **Green/Duwamish Chinook Salmon PIT Tagging 2023**

Presentation followed by Q&A

Chris will present results from the 2023 Green/Duwamish PIT tagging study assessing Chinook use of the Downey and Lower Russell projects, as well as three subreaches within the mainstem lower Green.

Chris Gregersen,
King County Science

11:15 **Round Robin Updates**

Open discussion

All

11:30 **Adjourn**
