WRIA 9 Implementation Technical Committee Meeting

June 17, 2026 | 9:30 am – 11:30 am

[Duwamish River Community Hub](#)

[8600 14th Avenue South, Seattle, WA 98108 \(Google Maps link\)](#)

9:30 **Welcome & introductions**

9:50 **What Elliott Bay's benthic environment is telling us about PCBs (and ourselves)**

Presentation followed by Q&A

Wendy Eash-Loucks &
Jennifer Lanksbury,
King County

The bottom of Elliott Bay has a lot to teach us about toxic chemicals and ourselves. Wendy Eash-Loucks, King County Marine Scientist and Jennifer Lanksbury, King County Ecotoxicologist, will discuss why they monitor sediment and English sole, what's happening with PCBs in Elliott Bay, and how we can learn from our past to address chemicals of emerging concern.

10:50 **Around the Watershed Updates**

Group activity

Bring your updates to share! If the weather is nice, we will gather outside at Duwamish River People's Park for updates and general mingling.
